ABC of Ohio Endorses Wezlynn Davis for Ohio House District 86

Columbus, OH -- The Associated Builders and Contractors of Ohio (ABC of Ohio) announces its endorsement of Wezlynn Davis for Ohio House District 86. ABC of Ohio previously endorsed Davis in 2024 as well.

Wezlynn Davis is a successful small business owner who has built and operated her own company, giving her firsthand knowledge of how excessive regulations, high taxes, and government overreach kill jobs, drive up costs, and hinder opportunity. As a current Jerome Township Trustee in one of Ohio's fastest-growing communities, she has led with common-sense, pro-growth solutions that prioritize local control, fiscal responsibility, and putting people before politics. Her track record demonstrates a commitment to slashing wasteful spending, reducing bureaucratic burdens, and creating an environment where businesses can compete fairly and thrive without government favoritism.

Mick Given, President of ABC of Ohio, issued the following statement: "ABC of Ohio is excited to throw our support behind Wezlynn Davis for House District 86. As a small business owner and township trustee, Wezlynn understands what it takes to slash wasteful spending, reduce bureaucracy, and promote fair and open competition. Merit shop supporters across Ohio can rest assured knowing Wezlynn will fight tirelessly for them in the Statehouse."
